Spring Songbird Festival !

Celebrating the Year of the Bird

Saturday, April 28th 11 to 3

Come celebrate the 100th Anniversary of the Migratory Bird Act. Learn why birds matter and what you can do in your own backyard to support our native songbirds. We will have a fun craft for the kids and some yummy treats for all.

Featherhaven coffee mugs, birdhouses and whimsical bird themed items available for suggested donation. Meet our newest Education bird Vinnie, a House Finch, our little ambassador for the Migratory Bird Act. You can support us by donating a roll of Select-Size White Paper Towels or a box of White, Unscented, and No Lotion Tissues. We use a lot of both during baby bird season. Thank you! Hope you will join us and celebrate our Native Songbirds!
